May and June minutes approved. Motion by Mariam Kuensting, second by Larry Lehman

COMMISSION REPORTS:

Finance Council Report: 2021-2022 Budget work is going on. Offertory is close to budget.

Pastor's Report: Having a good fiscal year. We are working on being a “Welcoming” parish. This includes an invitation to join and a welcoming facility. We are forming a long range committee to look at parish facility needs gathering information from the parish through survey.

President's Report: Letters were sent to parishioners that haven't seemed active. Some of this was double entry in the system, some were bad addresses, and some have changed parishes. Fall Festival discussion regarding options for a drive by meal, traditional Fall Festival, or something else fun and engaging for our parishioners like a trivia night encouraging fellowship and community.

RCIA: Two meetings coming up. Need volunteers for the program. We do have candidates interested in the program.

PSR: We are in need of a PSR coordinator.

We also are in search of a Eucharistic Minister for the Primrose Retirement community virtual mass.

Principal's Report: School is starting. Everyone is excited. The maintenance crews did a great job over summer getting us ready.

We adjourned with a prayer. The next meeting will be Wednesday September 15, 2021 at 7:00 PM in the cafeteria.

Respectfully submitted by Joel Schroer.
