**VOCATION CORNER**

“Pause” has many words to describe it; dwell, halt, hesitation, intermission, breathing space. Do we ever pause in our relationship with God?

Pausing in our relationship with God is not always bad. We can dwell on His word and find a breathing space in His calling. Answering our call is not always easy but let us not hesitate from listening for His word.

Please pray for all seminarians.  
 Your prayers and support make a difference.

**Help in creating a culture of vocation!**

**Bishop McKnight's September prayer intention for our Local Church**

For all who serve in our community as first responders: that God may protect them from all harm, and that we be grateful for the sacrifices they make for the common good.

Please consider coming to the meeting to express your opinion.

We have a good group of candidates and sponsors for RCIA this year. If you know anyone that would like to join the Church, please contact Dcn. Brad Jones or myself and we will be more than happy to help them through the process.
