**VOCATION CORNER**

Today we celebrate Priesthood Sunday. Priests are central to the life of the Church so let us take time to pray for all priests in our diocese but especially for Fr. Doke. May we affirm, support, and celebrate his gift of service to our parish as he celebrates the Mass and we are nourished by the Eucharist. Make your appreciation known by thanking him for following God's call to the priesthood

Please pray for all seminarians.  
Your prayers and support make a difference.

## FROM FR. DOKE

I just want to say thank you to everyone that has helped spruce up the entrance to the church here. We are working to make out facilities more hospitable even though we are planning some sort of renovation in the future. We still need to appropriately care for what we have.

Last weekend we had our second town hall meeting about our proposed renovation and/or new construction. What have learned through this process is that many people would like more information on our second option, building a new church. In the coming weeks the long-range planning committee will be putting together more information about the option of building a new church and what that might look like and how much it might cost. When we have more of that information, we will put together a formal survey and feasibility study in order to better poll the community. Along the way, please expect another town hall style meeting. Please plan on participating in the meetings. This is a very big decision for our parish and will affect the future our parish. Your input is needed and greatly appreciated.

*Peace and God Bless!*

*Fr. Doke*
